Logo Usage

The logo represents the core identity of the brand and must always be used with consistency and clarity. It reflects the power, innovation, and sustainability that define our solar energy vision.

A diagram showing three brand colors arranged vertically on the right side of the page. On the left, there are two overlapping rounded rectangles, one lime green and one soft blue, with the text 'Brand Color' in white. In the center, there are three concentric circles. On the right, there are three stacked rectangles: a soft blue one at the top, a lime green one in the middle, and a navy blue one at the bottom. Each rectangle contains its name in a matching or contrasting color.
